We are proud to begin our 26th year with this 2019/2020 season. We offer quality dance instruction by very talented and dedicated teachers, many of whom are former professional dancers. On the reverse side, you will find the current schedule of classes. We have 3 dance rooms and they are designated by color, Blue, Red, and Yellow (identified by the color of their respective doors and observation window curtains).

If you choose to enroll in classes, you will complete a Registration Form and be asked to sign our Rules and Conditions document. We do not ask for any long term commitment, although to develop mastery of any skill requires continued training and practice. You are on a month to month basis but are required to notify us before the beginning of the next month if you desire to withdraw.

We have an Add/Drop Form to communicate any changes to your original enrollment.

Welcome to Kia’s FR Dance.

TUITION - Per class, one 30-minute class is $9.00, a 45-minute class is $17 per class, 60-minute class is $20 per class, and 90-minute class is $28.
